About Stars of Life

The American Ambulance Association's Stars of Life program celebrates the contributions of ambulance professionals who have gone above and beyond the call of duty in service to their communities or the EMS profession. Stars of Life honors the efforts of these heroes while shining light on the critical role EMS plays in our healthcare infrastructure.

Sponsorship offers prominent recognition at the Stars of Life event, acknowledgement on the Stars of Life website, and unrivaled positive public relations as you say thank you to the nation's top EMS professionals. In addition to the many benefits of sponsorship, your contribution will help ensure lawmakers in Washington understand the needs of the ambulance community and will protect the interests of the entire EMS profession.

Why Sponsor?

Prominent recognition of your support for EMS.

Good will from ambulance executives across the nation.

Inclusion on signage and in our event program book.

Logo on website, social media, and promotional materials.
